Dear Madam and Sir, Colleagues Scientists, Sports Enthusiasts!

It's with a great pleasure that we invite you to participate in the seventh edition of the International Scientific Conference "Quality in Sport", that will be held on 16-17 April 2020 in Toruń (Poland). The main conference topics:

- Human capital in sports management
- CSR in sport
- e-Sport, IT and ICT competences in sport
- Integrated Sports Qualification System (SRKS)
- Management, finance and media in sport
- Sponsorship in sport
- Law in sport

The conference will also provide space for a poster whose themes are the same as above the presented issues.

From the perspective of lively discussions that took place during the previous editions of the conference, and we hope that the next edition will want to participate and share their experiences related to the theme of the event.

The aim of the Conference is to exchange views with practitioners' scientists, including through the presentation of research results, and good management practices in sport. To participate in the Conference invited scientists, representatives of sports clubs, public administration and students and PhD students. Applications must be submitted using an electronic form available at [www.sport.umk.pl](http://www.sport.umk.pl)

We look forward to welcome you in Toruń!
